Introduction

At Central State University, we value each and every employee. Our commitment to our employees is to provide an enriching environment where employees are engaged and are proud to be part of the Central State University family.

The cost of health care and other benefits continue to rise year after year. Each year, we analyze our costs and try to manage increases by reviewing our plans and benefit providers. We are conscious of the fact that changing health insurance plans is often difficult for our employees, so whenever possible, we work with our benefit providers to create solutions that will work financially and will be less disruptive.

Employers across the country are all facing the same challenge. But the fact is that 70 percent of health care costs are due to preventable conditions that cost the U.S. health care system about \$100 billion every year. Smoking, obesity, and high blood pressure are all preventable or treatable conditions that, left untreated, can lead to such illnesses as cancer, Type II Diabetes, or heart failure.

Central State University continues to promote a culture of health and wellness, establishing a work environment that promotes healthy lifestyles, decreases the risk of disease, and enhances your quality of life.

Central State University Takes Your Wellness Seriously

The goal of the Central State University Wellness Program is to promote behavioral changes and motivate each of us to change from high risk behavioral factors to healthy/low risk factors and keep them there.

- To obtain the best possible price for your health care coverage needs
- To support you and your family in practical ways to improve your health
- To provide a supportive work environment that encourages healthy lifestyles
- To become a more educated health care consumer
- To work towards living a healthier lifestyle and improving your health
- To better understand and use the tools and resources that make for wiser health care choices

By participating in the Central State University Wellness Program within the required timeframe each year, you can qualify for reduced medical insurance premiums for the following plan year.

Wellness Program

We care about your health and want to provide you with resources to help you live better, both inside and outside of work. That's why we offer a free voluntary wellness program for all current employees that are enrolled in Central State's medical plans. This program is administered by Wellworks for You. A Wellworks packet will be provided to you with all the necessary information and required forms.

By completing the necessary steps, current employees can earn lower medical premium rates – refer to Wellness Rates. In order to qualify for the lower premium rates, you must do the following:

1. Complete the Registration and Consent Form in its entirety and submit it to forms@wellworksforyou.com.
2. Complete an annual physical exam with your physician or a Telemed virtual visit between the dates of 12/1/23 and 11/30/24. Take your Wellworks packet with you to the appointment and have your doctor complete and sign the Physician Results Form. It is the participant's responsibility to return the form as part of the completed packet by 11/30/24.
 - ✓ Have you already received your annual preventive physical within the above timeframe? Take the packet to your physician's office to have the Physician Results Form completed.
 - ✓ If you do not have a doctor, you can select a doctor from within the benefit plan network. If you need assistance in finding a physician, please go to www.uhc.com.
3. Complete the Smoking Affidavit and return the form as part of the completed packet.
4. Submit your completed packet by 11/30/24. You can submit the packet in its entirety in one of three ways:
 - ✓ Scan and email to: forms@wellworksforyou.com
 - Secure fax: 484-887-2223
 - ✓ Mail: 1615 West Chester Pike, Suite 104, West Chester, PA 19382 (Attention: Forms Department)

Keep a copy of all forms for your files. You will be notified when your packet has been processed.

Please Note: Wellworks requires at least **7 -10 business days** for processing and participation to be updated in the Wellness Portal. If you do not receive a confirmation email in two (2) weeks from form submission, please call the number below.

Questions: Please contact Wellworks for You at 800-425-4657.

DIFFERENTIAL**

Get More Value From Your Plans

Here are a few key points to help you get the most value out of your healthplan:

Minimize your out-of-pocket expenses

To maximize your health, engage with a primary care physician (PCP) who will provide or direct your health care. Look for a Family Practice, Internal Medicine, General Practice, OB/GYN, and/or Pediatric physician. You will always save money by using providers in the UnitedHealthcare network.

What are your options? You may want to consider the following the next time you need care:

For a Life-Threatening Emergency

In a true medical emergency – such as an apparent heart attack, serious injury, or other life-threatening situation – always call 911 or your local emergency number right away!

For Less Critical Issues, if the emergency is NOT life threatening

- Call your physician's office (even after hours, someone is typically on call to answer questions). Your doctor will know you and your medical history and may be able to schedule you for a visit the same (or next) day.
- If your condition starts or worsens on the weekend, or after your doctor's office has closed for the day, you may want to consider a visit to an Urgent Care facility. These clinics are not affiliated with hospitals, but they do have doctors and nurses on staff and are open in the evenings and on weekends.

If You are Traveling and You Need Urgent Care

Your medical plan covers urgent care. An urgent condition is one that requires immediate care but isn't life-threatening. If you seek urgent care while traveling, you or someone acting on your behalf should notify your doctor within 48 hours of the onset of the urgent condition.

Annual physical exams and cancer screening tests are 100% covered!

Take advantage of the fact the Medical plan covers 100% of scheduled annual physical exams and cancer screening tests related to the physical exam when you use an in-network provider. There's no copay or deductible, however keep in mind that if your physician orders a test that isn't part of the scheduled preventative care exam/test, those procedures may result in some out-of-pocket expense for you. It's always a good idea to check with your doctor's office before your visit, to see what tests or exams are planned. Then, call your health plan to make sure you understand if and how those tests will be covered.

Preventive dental care is covered 100%!

Your dental plan is designed to provide the dental coverage you need with the features you want. Take advantage of what this plan has to offer without compromising what matters most - including the freedom to visit the dentist of your choice – an "in-network" dentist or an "out-of-network" dentist. Don't forget that your preventive care is covered at 100% once every six months.

Save tax dollars and enroll in a Flexible Spending Account

For those medical, dental or vision care expenses (copays, deductibles, etc.) that you do pay for out-of-pocket, don't forget to take advantage of the Health Care Flexible Spending Account. You can set aside up to \$3,200 a year on a before-tax basis and then reimburse yourself for eligible expenses.

Virtual Visits

For the cost of a primary physician office visit copay, you can access care from a provider from your phone or computer.

Health Plan Provisions

The following information relates to enrollment in the university's medical, dental, and vision plans.

When can I enroll?

You may enroll in benefits:

- Within 30 days of employment in an eligible appointment
- Within 30 days of a qualifying status change
- During an annual open enrollment period

Who can I enroll?

- Your legal spouse
- Your dependent children to age 26
- A child is a biological child, legally adopted child, stepchild, child for who you have legal custody, or an interlocutory order of adoption.
- When enrolling your spouse or child(ren), you must provide dependent verification documents such as a marriage certificate or birth certificate.

Spousal Surcharge Provision

CSU employees may choose to have their spouse covered under the CSU healthcare plan, however, there is a surcharge if your spouse is eligible for medical coverage through his or her employer (whether enrolled in that coverage or not). If both you and your spouse work at CSU, the surcharge does not apply. The surcharge also does not apply if your spouse is not employed or is retired.

The 2024 spousal surcharge is \$150.00 per month. The spousal surcharge will automatically be deducted from your paycheck if you have a spouse covered under your medical plan, unless you apply and are approved for a waiver.

To apply for the surcharge waiver, you must complete the form prior to the end of open enrollment or within 30 days of date of hire or a status change event. You can do this at <https://CSUBenefits.4mybenefits.net/>.

When does my coverage begin?

Coverage is effective on the first of the month following 28 days after your date of hire.

Can I make changes to my coverage throughout the year?

You can only make changes to your elections if you experience any of the following qualifying events:

- Marriage or divorce
- Death
- Birth or adoption of a dependent
- Change in employment status
- Dependent satisfying or ceasing to satisfy the plan's eligibility requirements
- Loss of or significant change to your current coverage
- Judgment, decree or court order
- Enrollment / ceasing to be enrolled in Medicare or Medicaid
- Ceasing to be enrolled in Children's Health Insurance Program (CHIP)

You have 30 days from the date of the event to report and update your benefits with the Human Resources department.

What if I choose to decline medical benefits?

If you choose to decline medical benefits, you will need to fill out a Benefit Waiver Incentive Form online at <https://CSUBenefits.4mybenefits.net/>. When you waive your benefits within 30 days of date of hire or a life status event or during open enrollment, you will receive \$150.00 per month in your paycheck

Enrollment Instructions

Follow these simple steps for benefits enrollment or to update your benefit election if you have experienced a qualifying life status event.

Access the Website

- Log on to: <https://CSUBenefits.4mybenefits.net/>
- Select Current Benefits, Changes and New Enrollments
- Enter your case sensitive User ID; which is CSU plus your Employee ID Number
- Existing Employees:
- New Hires: Your initial case sensitive password is Welcome1
- Note: During Open Enrollment, or if it's your first time accessing the system, you will automatically be directed to a Change Password Menu where you will be instructed to create a new password.
- If you have any questions or would like to enroll over the phone, you can contact the Benefits Call Center at: **Phone - 866-258-1885, Monday - Friday 8am-5pm ET**

Enrollment

Follow the appropriate steps for the type of enrollment you wish to make.

You do not have to choose Open Enrollment or New Hire Enrollment; the system automatically knows when those events are applicable and will allow you to "Get Started".

Life Status Event Change (if applicable)

Select the type of Life Event Change

Review Your Demographics

Carefully review the information on file for you. If you see any incorrect information, such as your home address, please contact your human resources office to notify them of the error.

Click NEXT to continue.

Register Your Eligible Dependents

Follow the on-screen instructions to register your eligible dependents. Please refer to your Benefits Guide for dependent eligibility.

Click NEXT to continue.

Enroll in Benefits

The website will prompt you through the election process for each benefit available to you. You will only

be offered the benefits for which you are eligible.

Click NEXT to continue.

Review Your Confirmation Statement

After completing your benefit enrollment elections, review the confirmation screen to be sure that ALL information has been updated correctly. Confirm that your eligible dependents who need coverage are listed as covered under the applicable benefit plan. **Click CHECKOUT to confirm your elections.**

Congratulations – You are Finished!

Once you have reviewed your confirmation screen, your enrollment is complete, and you are finished. If you need to change any information, simply go through this enrollment process again before the deadline. **NOTE:** If applicable, please provide the requested documents listed in the "Your To-Do List" at the top of your confirmation. This could include items such as dependent verification documents, waiver credit requirements or Evidence of Insurability Form. Benefit elections will be pended until the requested documents are uploaded to the site and approved by Human Resources.

FOR ASSISTANCE CONTACT THE BENEFITS CALL CENTER AT: 866-258-1885 / 8:00 am – 5:00 pm

Frequently Asked Questions

What is a Deductible?

A deductible is the amount of money you or your dependents must pay toward a health claim before your insurance company makes any payments for health care services rendered. For example, if you have a \$1,500 deductible, you would be required to pay the first \$1,500, in total, of any claims during a plan year. The deductible excludes copayments where applicable.

What is Coinsurance?

Coinsurance is the amount expressed as a percentage of covered health services that you must pay after you have satisfied your plan deductible.

When do I pay a Copayment?

Expect to pay a copayment for doctor's visits, emergency room visits and urgent care center visits.

How do I know when to go to an Urgent Care Center vs. the Emergency Room?

If you need medical care when your regular doctor is not available, think about going to an urgent care center. The urgent care center should be used for minor emergencies (fever, cough, pain, etc.) when your physician's office is closed, and your symptoms are too severe to wait until the office reopens or when you are out-of-town. The copayment is less for the urgent care center than the ER and getting care at the urgent care center will most certainly be faster than an ER visit. Emergency rooms should only be used for true emergencies such as broken

bones, vigorous bleeding or severe pain. The next time you are faced with deciding where to go, be sure to evaluate all your options and choose the setting that best suits your illness or injury. Of course, in a true emergency, seek the appropriate care without delay.

What is Out-Of-Pocket Maximum?

The maximum amount (deductible and coinsurance) that an insured will have to pay for covered expenses under a plan. Once the out-of-pocket limit is reached, the plan will cover eligible expenses at 100%.

What is an Explanation of Benefits?

An EOB is a description the insurance company sends to you explaining the health care charges that you incurred and the services for which your doctor has requested payment. You should compare your EOB to the bill you receive from the doctor. All data on your EOB should match the information that appears on the statements you receive from your doctor. If it doesn't, contact the doctor's office immediately.

What is Preventive Care?

Preventive care is proactive, comprehensive care that emphasizes prevention and early detection. This care includes physical exams, immunizations, well woman and well man exams. Be sure your child gets routine checkups and vaccines as needed, both of which can prevent medical problems (and bills) down the road. Also, adults

should get preventive screenings recommended for their age to detect health conditions early. Remember all preventive care benefits are covered 100% under all three medical plan options.

What is the difference between generic and brand name drugs?

The difference between generic and brand name medications lies in the name of the drug and the cost. Generic drugs cost much less than brand name drugs, save you and your employer money, and provide the same health benefits as brand name drugs.

What is the benefit of Mail Order Drugs?

Mail order drugs are perfect for patients who take medication on an ongoing basis. Examples are high blood pressure medication, high cholesterol medication, insulin and birth control. Mail Order drugs are convenient because they are delivered to your doorstep which relieves the stress of standing in line at the pharmacy.

What should I ask my doctor?

Amazingly, many patients do not ask their doctor basic questions. "How much will my treatment cost?" "Can I be treated another way that is equally effective but less costly?" "What are the risks?" "What are the side effects?" Having a dialogue with your physician can help you better understand how his or her care decisions affect your health plan costs. It will also help your doctor get to know you better and consequently prescribe treatment that is more effective

Medical Benefits (Standard PPO)

Central State University will offer two medical plan options now administered by Medical Mutual of Ohio. Through these plans you have access to thousands of network physicians and hospitals.

If you utilize an out-of-network provider, you will pay substantially higher amounts. Refer to the Summary Plan Description for an outline of the out-of-network benefits. To access an in-network provider listing visit www.MedMutual.com or call 1-800-382-5729.

Flexible Spending Account (FSA)

Healthcare Expense Account

The health account allows you to fund your out-of-pocket medical, dental and vision expenses, such as copays and deductibles, with pre-tax dollars. By paying for out-of-pocket medical expenses with pre-tax dollars, you will save an average of \$.25 per dollar because you do not pay Federal Income Tax or FICA tax on your contributions. You are able to voluntarily contribute up to **\$3,200** for current employees and **\$1,500** for new hires (for the 1st six months).

Healthcare FSA Debit Card

We are pleased to offer employees the option to have a Healthcare FSA debit card that will allow you to pay for most qualified expenses without being out-of-pocket and having to wait for reimbursement. Please Remember: you must still retain all receipts as you may be asked to substantiate any expenses purchased with your FSA debit card.

Dependent Care Account

This account allows you to fund the costs of dependent care on a pre-tax basis. The care must be provided by a dependent care center or by an individual who can provide a name, address, and taxpayer identification number. You may contribute up to a maximum of **\$5,000** each tax year, per household. Although you may not take the childcare tax credit if you choose this option, you may save more depending on your income level. It is not required that both you and your spouse are employed (or disabled). However, reimbursements from your Dependent Care FSA cannot exceed the lower of you or your spouses (if married) earned income.

What are the risks of FSAs?

FSAs should only be considered for anticipated expenses. You should be conservative when estimating the amount to contribute to each account. If you overestimate your expenses and have money left in the account at the end of the year, it will be forfeited. For a small percentage of participants, Social Security retirement benefits may be affected by participating in FSAs. Participation in this plan reduces your W-2 income on which your retirement benefits are based.

Rollover Feature

Unused Healthcare FSA funds that are not used by the end of the plan year (December 31st) will be forfeited, with the exception of **\$640** that can be rolled over into the next plan year. **The rollover feature does not apply to the Dependent Care Account.** Funds remaining in the Dependent Care Account at the end of the plan year are forfeited.

In addition to other qualified medical, dental and vision expenses that you can use your HealthCare FSA to pay for, you can also use these funds to pay for over-the-counter medications.

FLEXIBLE SPENDING ACCOUNT (FSA)

What is an FSA?

An FSA allows you to pay for health care and/or dependent care expenses through pre-tax payroll deductions. When enrolling, you determine how much money you want to contribute to each account for the plan year. The money is then withheld from your pay before taxes are calculated. You will be reimbursed from the account as you incur expenses and submit claims for them.

FSAs help you save money because they lower your taxable income. Without an FSA, you would still pay for health care and/or dependent care expenses, but you would use money remaining in your pay after taxes were withheld. You do not have to enroll in a medical plan to participate in an FSA.

The IRS has placed an annual maximum of \$3,200 that employees can contribute to the Flexible Spending Account for the 2024 plan year.

Employees must sign up every year for the FSA and designate the amount to be contributed to a Healthcare FSA and/or Dependent Care (Dependent Care Services Only) FSA. If you terminate employment, neither FSA goes with you.

FSA Rules and Regulations

- The IRS requires that all FSA purchases be verified as eligible expenses. Sometimes, purchases are automatically verified when you use your card. Other times, Chard Snyder will request itemized receipts. Always save your itemized receipts!
- With the exception of \$640 that can be rolled over into the next year, you must use all remaining FSA funds, or they will be forfeited, according to IRS regulations.
- The IRS also requires that employers make the full annual FSA election available to employees when an eligible expense occurs, regardless of whether you have deposited enough to cover the full amount at that point in time. For example, you may designate \$1,000 per year, equal to a payroll deduction of \$83.33 a month. You are eligible for reimbursement up to the full \$1,000 in the first month, even though you have only deposited \$83.33 in your account.

Dental Benefits

Regular dental care is essential to good health. Central State University provides you with an opportunity to purchase Dental coverage with Delta Dental Insurance Company.

For the best savings, use a Delta Dental Insurance Company participating dentist or specialist. You can find a dentist by visiting the www.deltadentaloh.com website or by calling Delta Dental directly.

PPO Network: This network is smaller but offers deeper discounts for using a PPO Network provider.

Premier Network: This network is larger and offers network discounts, but members cost might be slightly higher.

If a provider is in both the PPO and Premier Network, the provider will honor the deeper discount of the PPO network to benefit the member.

Customer Service: www.deltadental.com or call 1-800-521-2651

Pension Plans

OPERS/STRS/Alternative Retirement

All Central State University employees are eligible to participate in a pension plan. An employee's classification will determine which pension plan he/she is eligible to participate in. The University will match contributions to all employee pension plans in accordance with the state-mandated legislation, which varies between the individual classifications.

Employee Classification	Employee Contribution	University Match	Retirement Plan
AFSCME (Bi-Weekly Paid employees (except Police Officers))	10% of employee's gross earnings before taxes	14% of employee's gross earnings before taxes OR 11.56% of employee's gross earnings to ARP and 2.44% to OPERS.	Ohio Public Employees Retirement System (OPERS) OR Alternative Retirement Plan
Police Officers	13.0 % of employee's gross earnings before taxes	18.1% of employee's gross earnings before taxes OR 15.56% of employee's gross earnings to ARP and 2.44% to OPERS.	Ohio Public Employees Retirement System Law Enforcement (OPERS) OR Alternative Retirement Plan
All Contract (Monthly) Staff Employees	10% of employee's gross earnings before taxes	14% of employee's gross earnings before taxes OR 11.56% of employee's gross earnings to ARP and 2.44% to OPERS.	Ohio Public Employees Retirement System (OPERS) OR Alternative Retirement Plan
All Faculty Members	14.0% of employee's gross earnings before taxes	14 % of employee's gross earnings before taxes OR 9.53% of employee's gross earnings to ARP and 4.47% to STRS.	State Teachers Retirement System of Ohio OR Alternative Retirement Plan

- If an eligible employee opts to enroll in the Alternative Retirement Program instead of STRS or OPERS they must make this election within 120 calendar days of their initial hire date. Once an election to an ARP is made an employee may not return to STRS or OPERS.
- With an OPERS/STRS election an employee will receive medical benefits at retirement age providing they have worked the required period of creditable service at retirement. The ARP does not provide for medical coverage upon retirement.
- Upon retirement through STRS or OPERS the employee will have a set monthly retirement benefit. With the ARP the employee's retirement benefit will be determined based upon the investment fund value. Employee and employer contributions to the ARP are immediately 100% vested.

Supplemental Retirement Plans

403(b) Tax Sheltered Annuities and 457 Deferred Compensation Plans

All employees are eligible to participate in any of the 403(b) or 457 plans. These are supplemental retirement plans that are set up in addition to an employee's mandatory Pension Contribution. Monthly contributions are deducted from the employee's payroll on a pre-tax basis and distributed to the company of their choice. At this time Central State University employees have the option to enroll in the 403(b) and 457 plans with the following companies. Employees may elect to enroll in more than one company.

Company	Monthly Contribution	Enrollment Contact
VOYA (Formerly ING)	No Minimum. Maximum contribution per year: \$19,500.00; \$6,000.00 Age 50+ Catch- up Limit	Derek Stiles 937-353-5472
TIAA- CREF	No Minimum. Maximum contribution per year: \$19,500.00; \$6,000.00 Age 50+ Catch- up Limit	1-877-209-3138
AIG Retirement Services	No Minimum. Maximum contribution per year: \$19,500.00; \$6,000.00 Age 50+ Catch- up Limit	Carrie Cummings 614-436-4551 (work) 937-542-2936 (cell)
Ohio Public Employees Deferred Compensation	No Minimum. Maximum contribution per year: \$19,500.00; \$6,000.00 Age 50+ Catch- up Limit	1-877-644-6457
VOYA Deferred Compensation	No Minimum. Maximum contribution per year: \$19,500.00; \$6,000.00 Age 50+ Catch- up Limit	Derek Stiles 937-353-5472

Additional Benefits for Eligible Employees

Vacation	Vacation accrual is based on classification, status, and position of each employee. For non-bargaining employees, see procedure 603.1 and for bargaining unit employees, please consult your bargaining unit contract for specific information.
Paid Holidays	All employees are eligible for paid holidays as announced each calendar year by the administration. If an employee is required to work on a holiday, they will be paid in accordance with the applicable CSU policy or union contract guidelines. Employees are eligible for holiday pay from the date of hire. The Paid Holidays are listed on the CSU website.
Personal Days (AFSCME)	Each CSU employee represented by AFSCME is granted 2 personal days, per calendar year, to use as they wish. These days must be scheduled in advance through their immediate supervisor and are available after employment. Personal Days must be used within the calendar year. They will not be carried over to the next calendar year. Any unused personal days will not be paid out upon termination or retirement.
Direct Deposit	All CSU employees must have their payroll direct deposited to the bank or credit union of their choice. Each employee may have up to 3 different individual deposits in either a checking or savings account. Direct Deposits should be set up through MyCSU. Forms may be obtained from the Payroll Department.
Education Assistance	For more information regarding the tuition remission policy, you may refer to the on-line policy. Your CSU employment makes you eligible to join the Dayton School Employees Federal Credit Union or the Wright-Patt Credit Union. Employees will need to contact the individual credit unions to join. A current pay stub will be needed to show eligibility.
Credit Union	Your CSU employment makes you eligible to join the Dayton School Employees Federal Credit Union or the Wright-Patt Credit Union. Employees will need to contact the individual credit unions to join. A current pay stub will be needed to show eligibility.
FMLA	Any employee that has worked for one full year and has worked a minimum of 1250 hours in the previous calendar year is eligible for leave under the Family Medical Leave Act. Employees needing FMLA must review Policy 605 and Procedure 605.1 and contact Human Resources for more information. Human Resource is the approving authority for FMLA leave and any questions regarding the CSU policy for FMLA should be directed to the Human Resources Department.

Customer Service Information

Have Questions? Need Help?

Central State University is excited to offer access to the USI Benefit Resource Center (BRC), which is designed to provide you with a responsive, consistent, hands-on approach to benefit inquiries. Benefit Specialists are available to research and solve elevated claims, unresolved eligibility problems, and any other benefit issues with which you might need assistance. The Benefit Specialists are experienced professionals, and their primary responsibility is to assist you.

The Specialists in the **Benefit Resource Center** are available Monday through Friday 8:00am to 5:00pm Eastern & Central Standard Time at 855-874-0829 or via e-mail at BRCMidwest@usi.com. If you need assistance outside of regular business hours, please leave a message and one of the Benefit Specialists will promptly return your call or e-mail message by the end of the following business day.
