CENTRAL STATE UNIVERSITY

At Central State University, we take great pride in empowering students to break barriers and achieve their academic dreams. Your partnership is instrumental in helping us create these opportunities. We are excited to invite your sponsorship support for the 2025 Central State University Scholarship and Inauguration Luncheon, a signature event benefiting student scholarships. The net proceeds from this luncheon will directly contribute to removing financial obstacles, enabling students to earn a college degree and succeed in fields like business, engineering, education, and the arts.

This year's luncheon is particularly meaningful as it also marks my inauguration as Central State University's 10th President. It is an opportunity to celebrate our legacy of excellence and renew our commitment to educating underrepresented minority students. This event aligns with your organization's commitment to fostering educational access and promoting opportunities for students in our community, and we are honored to partner with you in shaping the future of our students.
